Summer 2010: **HOPE**

heart to heart  
with holley

*“Even so.*

Yes, the situation is difficult and the obstacles seem insurmountable. *Even so*, God will deliver me.

Yes, I left my comfort zone about 100 miles ago and all I want to do is eat a vat of chocolate. *Even so*, God can use me.

Yes, it feels like the valley is dark, the mountains are high, and the enemy strong. *Even so*, God is able to get me to the Promised Land.

*Even so.*

Those two little words don't deny the difficulties or paste on a smile that says, "Everything is fine." They acknowledge life is hard. They recognize the obstacles

But in the end, they shift our gaze from *what we see* to *Who we know*.

And that changes everything...

especially us."

*My purpose is that they  
may be encouraged in heart  
and united in love.*

# Transitions of the Heart

A close-up photograph of a hand reaching out from the left side of the frame. The fingers are slightly curled, and the hand is positioned as if about to touch or grasp something. The background is a clear, vibrant blue sky with a single, soft, white cloud in the center. The lighting is bright, suggesting a sunny day.

What is a God Sized Dream?

How do I know it's just not me?

God shines enough light to  
get around the curve – but  
sometimes not much more.  
How do I step forward?
